Cookie Policy

This notice explains how we use cookies and other tracking technologies on our website.

Cookies and similar technologies

This website (https://www.) uses cookies and other similar technologies. Cookies allow us to distinguish you from other users of our website and are essential to the proper functioning of our website

Types of cookies

We use cookies and similar technologies for the following purposes:

Strictly necessary purposes

- where essential to provide you with the services and content which you request when visiting our website
- to remember your cookie settings while you're visiting our website

Use of cookies for strictly necessary purposes cannot be turned off.

Advertising purposes

We do not use cookies for advertising purposes or to track you.

First-party and third-party cookies

We do not allow third-party cookies to be set through our website. All cookies used on our website are first party – they are set and used by us only and not by any other company or website. We do not deploy or track cookies set through any other website or online application.

Session and Persistent cookies

Session cookies expire at the end of your browser session (normally when you close your browser).

We use Session Cookies. No Cookies set by us will remain on your device after you close your browser session on our website.

Cookies used on this website

"ASP.NET_Sessionid"

Session Cookie - This cookie is set to distinguish your visit to our website and is essential to the proper functioning of our website. It expires when your session ends.

"Isarey_sessionc"

Session Cookie - This cookie is set to distinguish your visit to our website and is essential to the proper functioning of our website. Where we have your agreement, it is also used for the performance and functional purposes which are described in our cookies policy. It expires when your session ends.

Controlling cookies

Since all Cookies used by our website are strictly necessary to ensure its proper functioning, they cannot be switched off.

Cookies and personal data

None of our cookies contain personal data or any identifier that links to personal data.
